

When You Clean House

Add something each year that will make your home more comfortable. It is difficult for most of us to buy large quantities of house furnishings at one time.

You will be surprised, though, how rapidly your home becomes attractive with new things, if you follow this plan of adding something new every spring.

Off For Europe.

Mr. Burman, youngest son of Mr.
R. B. Burman, left this morn-
ing for Philadelphia, where he will
join a party of six other boys about his
own age under the chaperonage of Prof.
C. Davidson College, North Car-
olina, and will within a few days sail
for Europe. The trip will be full of pleasure
for the boys, as well as educational, un-
der the guidance of Prof. Leach. The
boys hope within a few weeks to give
their father a letter from "Judge" Bur-
man as William's boy friends call him.

Not Recognized by Friends.

Dr. E. H. Bybee, returned Friday
morning from Cincinnati, where he had
been to consult a specialist concerning
a swelling of a glass eye, his right organ
having been removed last win-
ter. On his appearance on the streets Sat-
urday morning Mr. Bybee's friends were
glad to take a second look in order
to identify him, as the disappearance of
bandage worn for many months and
new eye made a great, but beneficial
change in his looks. The many friends
of this popular gentleman congratulate
him upon the successful attending him
though the trying ordeal incident to the
removal of the eye had lasted during the
past two years.
